

CORPORATE RELEASE

Singapore, 7 October 2024

Tian San Shipping Commended for Vital Role in 2024 Oil Spill Clean-up Operations

Tian San Shipping (TSS) has been honoured for its critical contributions to recent oil spill clean-up efforts, receiving two recognitions in September and October 2024. These accolades highlight TSS's commitment to safeguarding Singapore's waters and fostering a strong culture of environmental responsibility.

On 28 September 2024, TSS was recognized at the NEA 3P Partnership Appreciation Event with East Coast GRC for its vital role in responding to the recent oil spill. During this event, TSS was awarded a Certificate of Appreciation presented by Deputy Prime Minister Heng Swee Keat, alongside East Coast GRC advisors. The award commended TSS and other oil spill responders for their dedication and swift actions in addressing the environmental crisis.

Throughout the clean-up operations, TSS deployed vessel and resources to lead the containment of the spill, working closely with the National Environment Agency (NEA) to safeguard the Singapore waters and minimize damage to the local marine ecosystems.

In a separate event on 2 October 2024, TSS was once again honoured with a Certificate of Appreciation by the Ministry of Sustainability and the Environment (MSE) and the NEA, presented by Guest of Honour, Minister Grace Fu. This recognition underscores TSS's efforts in keeping the Singapore's waters clean and its dedication to instilling a strong culture of environmental responsibility within the company and the broader community.
